Rainfall Index Plan Comparison

*Annual Forage or Pasture, Rangeland, and Forage (PRF)
2024 and Subsequent Crop Years*

	Annual Forage	Pasture, Rangeland, and Forage
Eligible Crops	Intended for annual plants .	Intended for perennial crops or self-seeding annual plants maintained through several years of grazing .
Acreage Requirements	All or a portion of the acreage of the crop can be insured.	All or a portion of the acreage of the crop can be insured.
Growing Season	Crop year has 12 growing seasons – always check the Special Provisions for details.	No specific growing season.
CAT Coverage	CAT coverage available: • 65% coverage level • 45% productivity factor • Only 1 index interval for an entire growing season	CAT not available.
Units	CAT: By growing season, share, grid ID, and county within or assigned to a grid. Additional: Growing season, index interval, share, grid ID, and county within or assigned to a grid.	Units by crop, intended use, index, interval, share, and county within or assigned to a grid.
Productivity Factor	One productivity factor for the county per growing season unless limited by the Special Provisions.	One productivity factor by county and intended use .
Percent of Value	Select percent of value for each growing season that is applied to all grids in the county .	Allocate a percent of value to each unit .
Intended Use	• Grain/Grazing • Grazing • Grazing/Green Chop • Grazing/Haying • Green Chop • Haying • Silage Producers in certain counties can purchase both an Annual Forage policy and a Small Grains policy on a crop that is both grazed and harvested for grain.	• Grazing • Haying (<i>including certified organic and transitional organic hay</i>)
Application Information	Provided for all growing seasons: CAT coverage • Crop • Coverage Level (65%) • Productivity Level (45%) Additional Coverage • Coverage Level (70% through 90%) • Productivity Factor (60% through 150%) • Crop • Index Interval • Percent of Value (min. 10%, max. stated in Special Provisions)	• Grid ID • Coverage Level (70% through 90%) • Productivity Factor (60% through 150%) • Crop • Index Interval • Percent of Value (min. 10%, max. stated in Special Provisions)
