

Patient & Family Advisory Council of Russell Regional Hospital

The Patient & Advisory Council is dedicated to assuring the delivery of the highest standards of comprehensive and compassionate health care by RRH. Communication, partnering and listening to feedback, suggestions, and ideas to better patient experience.

How it works:

- 1) Strengthen communication & collaboration among families, patients, caregivers and staff.
- 2) Promote patient and family advocacy and involvement.
- 3) Participate in acute, swing bed outpatient, emergency, clinic services and policies.

Your commitment? A monthly meeting estimated at 1 hour w/lunch provided. Contact RRH at 785-483-3131 if you have interest in serving.
